AUTO RACING

ABOUT:	The GP F
SIZE:	44-64
CODE:	3352022

The GP Pro Comp v2 features an outer shell plain material developed exclusively for Alpinestars which is combined with a soft aramidic base knit lining for optimum levels of comfort, protection, light weight and comfort.

- **KEY** Alpinestars fully floating arm construction with stretchable knit fabric ensures minimal material resistance while driving.
  - 100% aramidic anti-static outershell fabric for exceptional heat and flame-resistant proprieties.

- Ribbed wrist and ankle cuffs for maximum comfort and reduced weight.

- Tall ribbed collar for extended coverage of the neck and improved driver comfort.

- Alpinestars exclusive shoulder epaulette construction provides an effective feature for the extraction of the driver in the event of a crash.

- Opening for cable for cooling vest system or communications on the left of the body, covered by a self-closing flap to ensure maximum levels of protection.

- Premium YKK metal zipper for durability.
- Double slider on front for a versatile and customizable fit.
- Thigh pockets for convenient, unobstrusive storage.

- ALPINESTARS PROTECTS slogan on the lower back of the lining; the same design as used on Alpinestars F1 racing suits

- Athletic-Regular fit design.

- Certified to FIA 8856-2018 homologation standard

KARTING

CODE:	2712124
SIZE:	5-13 US
ABOUT:	The TECH-1 KX V3 shoe has an advanced, seamless thermo- welded construction consisting of ultra-thin PU film and textile to provide supremely lightweight performance and excellent comfort and fit.
	Laser cut air-intakes and perforations on toe and both sides for added breathability.
	First shoes homologated to FIA new karting standard.
key Features:	<ul> <li>Sleek shoe profile conforms to the anatomy of the foot and ensures great fit and performance.</li> </ul>
	<ul> <li>Dual closure with asymmetric lacing in the instep and adjustable strap in collar area for secure fit.</li> </ul>
	<ul> <li>External heel and ankle and Internal toe reinforcement for abrasion resistance and protection.</li> </ul>
	- Collar padding constructed from PU foam for comfort and weight-saving.

- Lightweight one-piece heel and insole construction for enhanced heel lockdown and comfort whilst driving.

- Thin rubber outsole, derived from Formula 1's race program, delivers feel and sensitivity on the pedals, while the textured pattern ensures maximum grip.

- Certified to New FIA 8877-2022 standard.

123 BLACK WHITE RED

#### **TECH-1 KZ V2 SHOES**

KARTING

CODE:	2713223
SIZE:	5-13 US
ABOUT:	Light, fast and extremely comfortable. The TECH-1 KZ V2 shoe uses state of the art flat knitting technology for a fully knitted upper construction that adapts perfectly to your feet.
	PU film and padded reinforcements provide the support and protection required while the dual ankle strap closure and instep lacing adjustment keep them perfectly in place.

 
 KEY
 - Advanced seamless thermo-welded construction consists of ultra-thin PU film and textile to provide supremely lightweight performance and excellent comfort and fit.

- Elastic top collar and instep zone made in knitted upper textile.

- Sleek shoe profile conforms to the anatomy of the foot and ensures great fit and performance.

- Dual strap closure hook and loop in the instep and top collar area enhanced to create a perfect and secure fit.

- Additional instep fit adjustment for providing a perfect fit closure.

- Lateral side made in textile material to provide breathability, plus 3D print square graphics that enhance the protection and structure.

- Internal toe reinforcement for abrasion resistance and protection.

- Laser cut outs on the toe and medial side for added breathability.

- Collar padding constructed from PU foam for comfort and weight-savings.

- Lightweight one-piece heel and insole construction for enhanced heel lockdown and comfort whilst driving.

- Alpinestars exclusive thin rubber compound outsole, derived from Formula 1's Race Program, delivers unsurpassed levels of feel and sensitivity with the pedals, while the textured pattern ensures optimum levels of grip.
